FR: MODE D'EMPLOI PAS À PAS

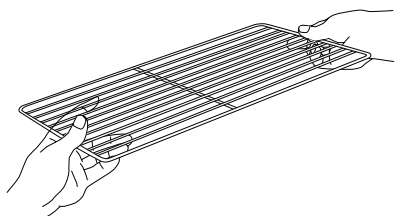

**Les illustrations sont fournies à titre indicatif uniquement et peuvent différer du produit final.*

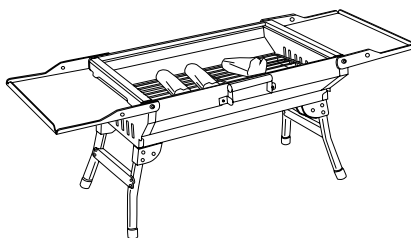

- 1** Retirez le compartiment de chauffe et installez les supports fixes.

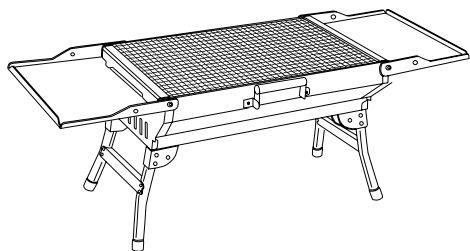

- 2** Installez les poignées des deux côtés du compartiment de chauffe et déployez les deux planches à découper.

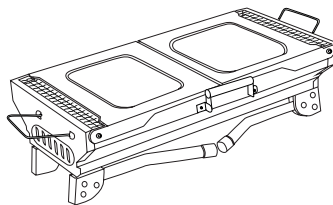

- 3** Soulevez la grille de réception du charbon à deux mains et placez-la à l'intérieur du compartiment de chauffe.

- 4** Placez le charbon allumé sur la grille de réception du charbon.

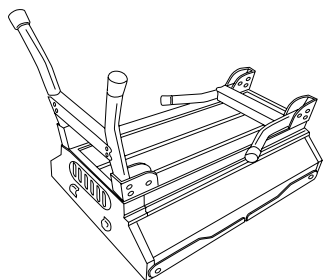

- 5** Placez la grille de cuisson sur la partie supérieure du compartiment de chauffe.

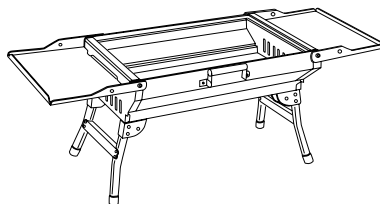

- 6** Pliez et rangez après utilisation.

EN: USING STEPS

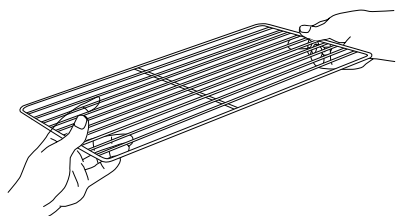

**Please note the picture is for illustrative purposes only and the final product may differ.*

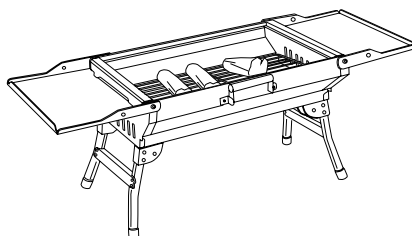

- 1** Remove the stove and prop up the fixed support.

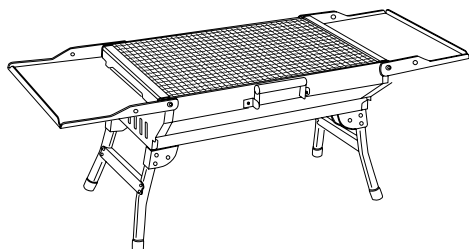

- 2** Install the handles on both sides of the stove and flip open the cutting board.

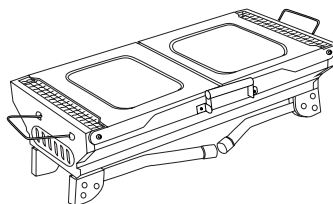

- 3** Use both hands to lift the straight carbon tank and place it inside the stove.

- 4** Place the lit charcoal on the straight carbon tank.

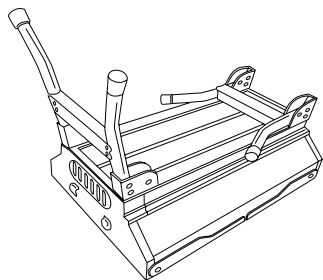

- 5** Position the grilling net on the upper layer of the stove.

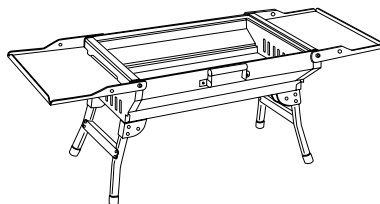

- 6** Fold and store after use.

ES: USO PASO A PASO

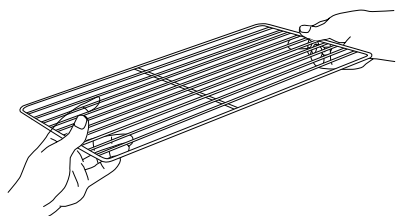

**Nota: la imagen es únicamente ilustrativa y el producto final puede variar.*

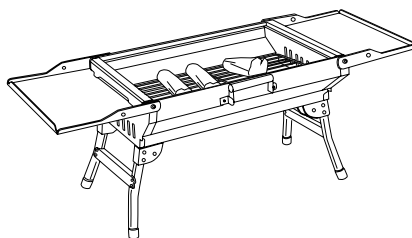

- 1** Saque la parrilla del embalaje y despliegue el soporte fijo.

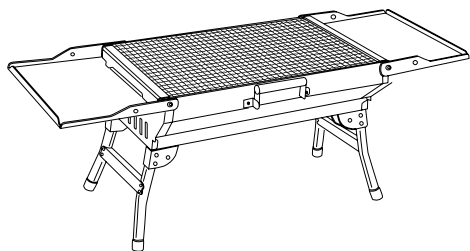

- 2** Instale las asas a ambos lados del cajón y despliegue las superficies de corte.

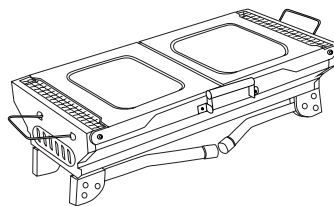

- 3** Use ambas manos para levantar la rejilla para el carbón y colóquela dentro del cajón.

- 4** Coloque el carbón que vaya a encender sobre la rejilla del carbón.

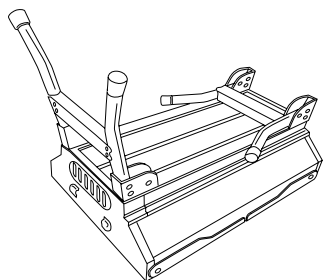

- 5** Coloque la rejilla de la parrilla en la parte superior del cajón

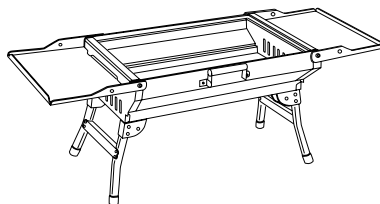

- 6** Pliez et rangez après utilisation.

IT: FASI DI UTILIZZO

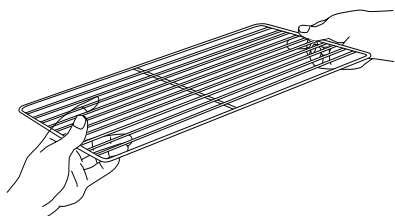

**L'immagine è unicamente indicativa e il prodotto finale può diAerire da quanto illustrato.*

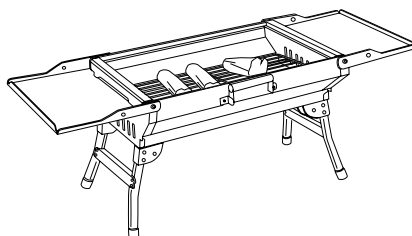

- 1** Rimuovere il fornello e bloccare il supporto fisso.

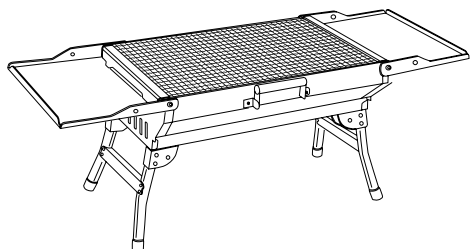

- 2** Installare i manici su entrambi i lati del fornello e aprire i taglieri.

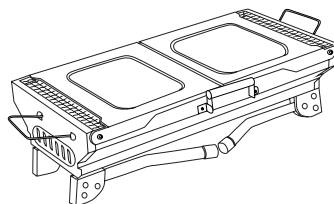

- 3** Usare entrambe le mani per sollevare il vassoio della carbonella e collocarlo all'interno del fornello.

- 4** Collocare la carbonella accesa sull'apposito vassoio.

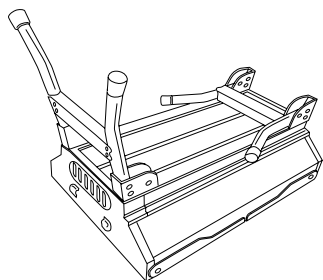

- 5** Posizionare la griglia sulla parte superiore del fornello.

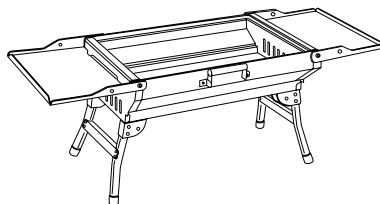

- 6** Piegare e riporre il prodotto dopo l'uso.

PT: PASSOS DE UTILIZAÇÃO

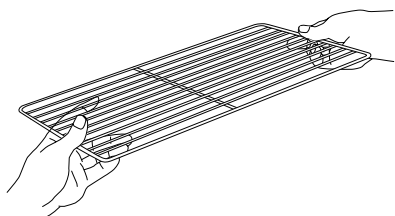

**Salienta-se que a imagem é apenas para fins ilustrativos e que o produto final pode variar.*

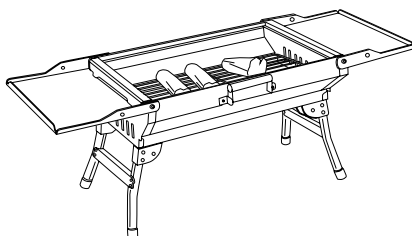

1 Retire o fogão e apoie o suporte fixo.

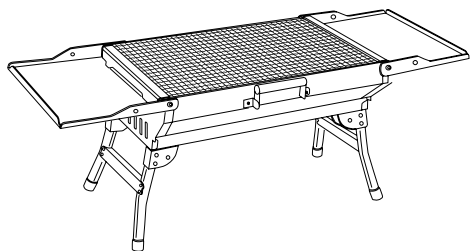

2 Instale as pegas em ambos os lados do fogão e abra virando a tábua de corte.

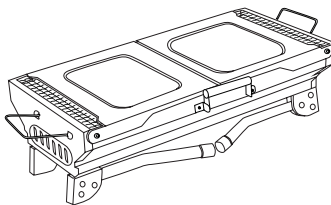

3 Use as duas mãos para levantar o depósito de carbono reto e colocá-lo dentro do fogão.

4 Coloque o carvão aceso no depósito de carbono reto.

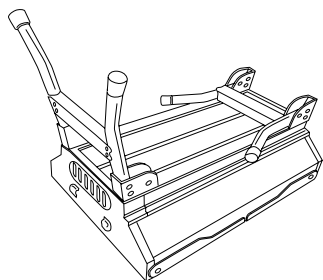

5 Coloque a rede de grelhar na camada superior do fogão.

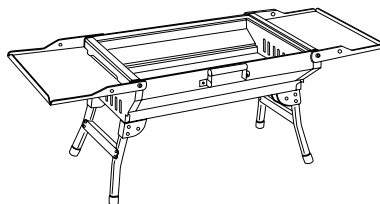

6 Dobre e guarde depois de usar.
